## Talking Homework

|  | <b>QUESTIONS TO ASK YOUR CHILD</b><br>(this is to stimulate talk with your child – there is no need for you to write anything down or return the sheet to school) |
|--|---|
| <b>MATHS</b><br>This week we have been revising our knowledge of Units of Measurement. We looked at volume, mass length and time and practiced our conversion strategies and then applied them in problem solving activities.  | Explain how you would convert Ml to L. Kg to g?   |
| <b>ENGLISH</b><br><b>Reading</b><br>Edward has once again been 'lost' by his owners and is now on another adventure. As well as clarifying and comprehension, we also discussed the links between each adventure.<br><b>Writing</b><br>This week we have been Focused on debating and writing responses to a motion. After a 'taster' draft, we carried out a formal debate in class about a statement relating to 'Floodland' | Who are Edward's new 'owners'?<br>Why does he not care anymore?<br><br>What was our debate about?<br>Can you explain your role?                                   |
| <b>SCIENCE</b><br><br>This week we were looking at different parts of the eye and how we see things. We identified the different parts and what their functions were.  | Can you explain what a pupil is?<br>Can you explain what an Iris is?  |
| <b>TOPIC</b><br>This week, we used both Virtual Reality Headsets and Chromebooks to explore and research different kinds of Biomes. We will use this work to try to establish links between environment and Natural and Man-made disasters.  | What is a Biome?<br>Can you name and describe 3 different kinds?  |

**We hope you enjoy talking at home about your child's learning this week.**

***Every child will be set 3 pieces of Mathletics homework each Monday, to be completed by the following Monday. We will also be testing the spellings each Friday. Thank you.***
