

CLASS: Year 6

DATE: 12.11.21

Talking Homework

	QUESTIONS TO ASK YOUR CHILD (this is to stimulate talk with your child – there is no need for you to write anything down or return the sheet to school)
<p>MATHS It was formal division in maths this week and we revised our knowledge of dividing by powers of 10, decimal numbers as well as revisiting the 'Bus Stop' written method of division.</p>	<p>What is the link between place value holders and dividing by powers of 10?</p> <p>What is 3.567 divided by 100? 457.34 divided by 1000?</p>
<p>ENGLISH Reading We are continuing our whole class-reading book this week-'Now or Never – a Dunkirk story' by Bali Rai Writing We prepared and performed our chosen poems at the beginning of the week and then began to construct a non-chronological report on the continent itself. Both pieces of work are in preparation for our class text this term.</p>	<p>Do you think Fazal is enjoying his experiences so far?</p> <p>What facts are you going to include in your report?</p>
<p>SCIENCE We have been setting up an investigation about the growing conditions for mould. We discussed how we could create a fair test, what variables we were going to change, and how we could record and measure our findings.</p>	<p>Explain our investigation What are your predictions? Why?</p>
<p>TOPIC It was Climate Change day on Tuesday and we listened to an assembly and made personal pledges. We also created some artwork based on the image of the Globe in danger due to climate change.</p>	<p>What was your pledge? Can you describe your artwork?</p>

We hope you enjoy talking at home about your child's learning this week.

Every child will be set 3 pieces of Mathematics homework each Monday, to be completed by the following Monday. We will also be testing the spellings each Friday. Thank you.

Wonder words: debris, classify
