End of Year Letter from the Governors 2020/21

Dear Parents & Carers

Without wanting to replicate last year's end of year letter from Governors, 2020/21 has also been a difficult year for Allfarthing School and the wider community. Mr Holmes and the rest of the Senior Leadership Team have led us well through this period, working tirelessly with all school staff to ensure the children have settled into the new normal, or variations of it, across the year. The staff have been pragmatic and creative in developing ways to engage the children in all aspects of their learning and their school lives.

After a well-deserved break, we are very much looking forward to September and for the children to once again be back at school. We appreciate that this uncertain and difficult time will have impacted on parents, carers, the children and extended families in different ways. When we are back to school, we must continue to support each other and to allow the children to thrive in the safe school environment that Allfarthing offers.

We recently had the news of Mr Holmes' upcoming departure. Please be assured that he is very much here and at the helm for the autumn term and we, as Governors, will be starting the recruitment process in the new academic year. It is our aim to ensure that we are recruiting the best person for the job, from the best available field.

As we look ahead to the summer holidays I would like to end by once again thanking you all for supporting the children at our school through the challenges of the recent months. We look forward to working together with you again next term and wish you all a safe and restful holiday.

Best wishes
Allfarthing Governors
