

Date: Friday 1<sup>st</sup> April

	<b>QUESTIONS TO ASK YOUR CHILD</b> (this is to stimulate talk with your child – there is no need for you to write anything down or return the sheet to school)
<b>MATHS</b> This week, we have continued our work on fractions, focusing on finding fractions of quantities.	What is the rule for finding $\frac{2}{5}$ of 25? What is $\frac{1}{9} \times 12$
<b>ENGLISH</b> <b>Reading</b> We have finished reading our English text, 'The Eye of the Wolf'. <b>Writing</b> Our writing this week has been to answer our topic question through the medium of play script!	Would you recommend the book? Why? Why not? What do you think about fair trade?
<b>MUSIC</b> This week, we made ourselves so proud with our performance at the 2022 Brighter Sounds concert at Fairfield Halls! It was an incredible experience!	What did you enjoy? What did you learn from the experience?
<b>PE</b> As well as our gymnastics and tennis sessions, we enjoyed a successful trio to the common to play some year group rounders!	What are the rules of rounders?

**We hope you enjoy talking at home about your child's learning this week.**

***In addition to the usual weekly homework, every child will be set 3 pieces of Mathletics homework each Monday, to be completed by the following Monday. We will also be testing the spellings each Friday. Thank you.***

**Don't forget about **Times Tables Rock Stars** too!**

**Wonder words:** savannah, arid
