Talking Homework

	QUESTIONS TO ASK YOUR CHILD (this is to stimulate talk with your child – there is no need for you to write anything down or return the sheet to school)
<p>MATHS This week we have been revising the following topics: Measuring Angles, Reflecting shapes in different quadrants, constructing and locating using co-ordinates and Translating shapes.</p>	<p>Can you explain the key success strategies for each of these topics? Which do you still find 'tricky'? Why?</p>
<p>ENGLISH Reading We have started '101 things to do before Secondary school' a fun, non-fiction text which has many different ideas.</p> <p>Writing Our main writing text this half term is 'Macbeth' using drama we have explored the role of the 3 witches and met most of the main characters.</p>	<p>Which School trip did you propose? Why?</p> <p>Explain the story so far. What impressions do you get of Macbeth?</p>
<p>SCIENCE Our new topic this term is 'Evolution and Inheritance'. Beginning with inheritance, we looked at how characteristics are either inherited or required.</p>	<p>What is the difference between an inherited and an acquired characteristic?</p>
<p>TOPIC We are looking at the Maya civilization this term. We began by raising questions and then locating where in the world this civilization was established and placed it on a timeline of historical events.</p>	<p>Where was the Maya civilization based? When?</p>

We hope you enjoy talking at home about your child's learning this week.

Every child will be set 3 pieces of Mathematics homework each Monday, to be completed by the following Monday. We will also be testing the spellings each Friday. Thank you.

Wonder words: noble, suspicion
