

**CLASS:** Year 5

**DATE:** 10.06.22

## Talking Homework

	<b>QUESTIONS TO ASK YOUR CHILD</b> (this is to stimulate talk with your child – there is no need for you to write anything down or return the sheet to school)
<b>MATHS</b> This week in maths, we have been converting units of measure.	What units of measure have you learnt?
<b>ENGLISH</b> We have started our work on Shakespeare's 'A Midsummer Night's Dream'. We re-enacted a scene using character description and stage directions.	What has happened so far? Who is who in Athens?
<b>SCIENCE</b> We have completed the filming of our space 'episodes' using iMovie.  We also kicked off our new science learning with a trip to Paradise Co-Op.	What went well with your episode? What did you do at Forest School?
<b>TOPIC</b> We enjoyed an Ancient Greek workshop this week, learning about all things Ancient Greece.	What 5 facts did you learn that you did not know before? What was the best part of the day? Why?

**We hope you enjoy talking at home about your child's learning this week.**

***Every child will be set 3 pieces of Mathletics homework each Monday, to be completed by the following Monday. We will also be testing the spellings each Friday. Thank you.***

***Don't forget Doodle – we need to win the weekly trophy!***
