

**CLASS:** Year 5

## **Talking Homework**

Date: Friday 11<sup>th</sup> February

	<b>QUESTIONS TO ASK YOUR CHILD</b> (this is to stimulate talk with your child – there is no need for you to write anything down or return the sheet to school)
<b>MATHS</b> This week, we have been multiplying and dividing decimal numbers by whole numbers (integers).	How would you calculate $2.3 \times 5$ ? How does $23 \times 5$ help?
<b>ENGLISH</b> <b>Reading</b> We have finished reading our new text, 'The Boy at the Back of the Class' by Onjali Rauf. <b>Writing</b> We have written play scripts for a new scene from our class text where the main character meets the Queen.	What are the features of a play script? What rules are there for writing one?
<b>TOPIC</b> This week, we have continued our fair trade topic by comparing trade in Victorian times (linking to our previous topic) and the modern era.	What similarities and differences did you learn about?
<b>MUSIC</b> We have continued our Vocal Project this week, looking at 'Memory' again, as well as a medley from the Sound of Music. Keep practising when you can!	Which song is your favourite to listen to? Which one is the most challenging to sing? Why?

We hope you enjoy talking at home about your child's learning this week.

*Every child will be set 3 pieces of **Mathletics** homework each Monday, to be completed by the following Monday. We will also be testing the spellings each Friday. Thank you.*

*Don't forget about **Times Tables Rock Stars** too!*

**Wonder words:** destitute, epiphany

*See here the link to our Vocal Project music should your child wish to practise!*
