Talking Homework

	QUESTIONS TO ASK YOUR CHILD (this is to stimulate talk with your child – there is no need for you to write anything down or return the sheet to school)
MATHS This week in maths, we have been looking at time and converting between analogue and digital, as well as timetables.	What is 12-hour clock? What is the 24-hour clock? What is 3:17pm in 24-hour clock?
ENGLISH We have continued our work on Shakespeare's 'A Midsummer Night's Dream'. We have written both love declarations and insults in role as characters from the story.	What has happened so far? What examples of love declarations and insults did you come up with? Why were you doing this?
RE We have continued our study of Islam, focusing on one of the 5 pillars, Zakah.	What is Zakah?
TOPIC As part of our topic on Ancient Greece, we looked at democracy and its origins and did some role play of the system as it was.	What does the word 'democracy' mean? What does it look like in the UK today?

We hope you enjoy talking at home about your child's learning this week.

Every child will be set 3 pieces of Mathletics homework each Monday, to be completed by the following Monday. We will also be testing the spellings each Friday. Thank you.

Don't forget Doodle – we need to win the weekly trophy!

Wonder words: shingle premonition
