

CLASS: Year 5

Talking Homework

Date: Friday 25th February

	QUESTIONS TO ASK YOUR CHILD (this is to stimulate talk with your child – there is no need for you to write anything down or return the sheet to school)
<p>MATHS This week, we have begun looking at volume. We made salt dough shapes using the same amount each time to explore how volume can stay the same, but in different shapes. We also calculated the volume of cubes and cuboids and solved volume-related 'real-life' problems.</p>	<p>What is volume?</p> <p>How do we calculate the volume of a cube? Cuboid?</p>
<p>ENGLISH Reading We have started reading our new text, 'The Eye of the Wolf'. Writing We are writing journal from the perspective of the boy over the next week.</p>	<p>What has happened so far?</p> <p>What might be going through the boys head?</p>
<p>TOPIC We have continued our topic on Fairtrade by looking at the breakdown of profit for each person/establishment per banana.</p>	<p>What did you discover?</p> <p>What surprised you?</p> <p>Was it fair?</p>
<p>SCIENCE We have continued our current science unit, 'Properties and changes of materials'. We have carried out an investigation to determine how heat can affect the rate of solubility.</p>	<p>What did you find out?</p>

We hope you enjoy talking at home about your child's learning this week.

Every child will be set 3 pieces of Mathletics homework each Monday, to be completed by the following Monday. We will also be testing the spellings each Friday. Thank you.

Don't forget about Times Tables Rock Stars too!

Wonder words: bristled, enclosed
