

Date: Friday 25<sup>th</sup> March

	<p><b>QUESTIONS TO ASK YOUR CHILD</b>                      (this is to stimulate talk with your child – there is no need for you to write anything down or return the sheet to school)</p>
<p><b>MATHS</b>                      This week, we have started our unit on fractions. We have used repeated addition and multiplication to calculate with fractions and whole numbers, including mixed numbers.</p>	<p>What is the numerator? Denominator?                      Integer? Mixed number?                      Calculate <math>3 \times 4 \frac{1}{2}</math></p>
<p><b>ENGLISH</b>  <b>Reading</b>                      We have continued reading our new text, 'The Eye of the Wolf'.  <b>Writing</b>                      We have written a non-fictional leaflet explaining the issues around deforestation and what people can do to help.</p>	<p>What were the sections you included?                      What technical language did you use?                      How does your leaflet encourage people to do something?</p>
<p><b>ART</b>                      We continued our work on lines, creating a collage to represent the rainforest by drawing and sticking to create the effect.</p>	<p>What materials did you use?                      What made your collage effective?</p>
<p><b>MUSIC</b>                      This week, we had our last tutor-led session and performed to Year 4. This helped us prepare for next Wednesday's performance at Fairfield Halls! We hope to see you there!</p>	<p>Which songs went well?                      Which songs do we need to work on? Why?</p>

**We hope you enjoy talking at home about your child's learning this week.**

***In addition to the usual weekly homework, every child will be set 3 pieces of Mathematics homework each Monday, to be completed by the following Monday. We will also be testing the spellings each Friday. Thank you.***

**Don't forget about **Times Tables Rock Stars** too!**

**Wonder words:** brandish, hothouse
