Talking Homework

	QUESTIONS TO ASK YOUR CHILD (this is to stimulate talk with your child – there is no need for you to write anything down or return the sheet to school)
PRODUCTION We have spent lots of time in this week in both staging and Singing Rehearsals for our Production. We have mapped out Act One and learned most of the songs.	Please ask your adults to check their parentmail about show information.
ENGLISH Reading Whole class Reading sessions are continuing in both classes involving clarifying, vocabulary and comprehension sessions on each of our books. Writing This week we began to read a short story called 'Dead Man's Ink'. After reaching a certain point, we had to continue the tale making sure it made logical sense and included the same characters and dialogue style.	Who is your favourite character so far? Why? How did you continue the story? Can you tell the whole tale from beginning to end?
R.E It was the final R.E week of the year and we completed the second part of our work on Humanism. We looked the importance of different belief symbols and then created our own, annotating them to explain our choices.	Talk about the symbol you created. Can you sketch it at home and explain your choices?
TRIPS The week we visited the National Army Museum in Chelsea. We learnt many interesting things about the history, current and future of Army life and technology.	What was your favourite part of the trip? Can you explain 2 new things you learned?

We hope you enjoy talking at home about your child's learning this week.
